## Clinton & co Plumbers and gasfitters

### ENVIRONMENTAL POLICY.

Clinton and co acknowledges and accepts that it is our responsibility to preserve and protect the environment. The commitment and involvement of managers and workers is dedicated to the provision of successful outcomes that are environmentally responsible to our clients, workers and the community.

### OUR COMMITMENT.

Our vision is to,

- Pursue continual improvement in our company's environmental performance,
- Apply reasonable control measures across the business to meet the expectations of all stakeholders.

### OUR ACTIONS.

- To deliver our vision for the environment,
- Conduct all operations in accordance with relevant legislation,
- Ensure all waste management practices are followed,
- Recycle everything we can,
- Provide adequate information and training to enable environmental impacts to be identified and managed by the entire team,
- Communicate initiatives and achievements to our customers, the workforce and the community.
- This policy will be reviewed annually in consultation with all employees.
